The screenshot shows the u.select website homepage. At the top left is the u.select logo with the tagline "get the credit you deserve". At the top right are navigation links: "About u.select | Contact | Glossary | Help".

On the left side, there is a "Member Login" section with input fields for "User ID", "School ID", and "Password", and a "Login" button. Below these are links: "Forgot password?", "Forgot User ID?", "Guest Login", and "Create an Account". The "Guest Login" link is circled in red, and an arrow points from a text box on the right to it.

The main content area features a "Welcome to u.select" banner with a photo of a smiling man. Below the banner is a "Get Started" button. To the right of the banner is a "News and Announcements" section with the headline "u.select begins September 2" and a "View Online" link.

At the bottom, there is a map of the United States with the text "Which States are using u.select".

#### IMPORTANT: Read First

Course credits transferred to UB from other calendar systems will be converted into semester credits. Course articulation on this web site DOES NOT guarantee transfer credit for an individual student. However, degree-level course credit from schools listed in TAURUS is transferable to UB. Students are responsible for [UB's Transfer Credit Policy](#), published in each year's undergraduate course catalog.

#### Need Help Getting Started?

UB students can fill out and submit an articulation form, linked in the TAURUS home page header tabs, with course descriptions and course syllabi to the UB department that teaches the matching UB course/s.
